

EQUINE VETERINARY CONTINUING EDUCATION MEETING

EQUINE PRE-PURCHASE EXAM

ADVANCED COURSE IN DIAGNOSTIC IMAGING ULTRASOUND AND RADIOLOGY OF THE STIFLE

Prof. Jean Marie Denoix

Arborea (OR) Sardinia - Italy 25/26 June 2020
Horse Country Resort Strada a Mare 24

JEAN MARIE DENOIX

JEAN-MARIE DENOIX graduated from the Veterinary School of Lyon (France, 1977). He passed the *agrégation* in Veterinary Anatomy (1983) and defended a PhD thesis in Biomechanics (1987). In 1988 he moved to the Veterinary School of Alfort and became professor of Anatomy, head of the equine clinical unit (until 2005), and head of a research unit devoted to biomechanics and pathology of the locomotor system in horses until 2003). He became head of CIRALE (Center of Imaging and Research in Equine Locomotor Pathology) in 1999. Since 2006, he has been President of the ISELP (International Society of Equine Locomotor Pathology), large animal imaging associate of the ECDVI (European College of Veterinary Diagnostic Imaging) since 2010, and President of the ALAPILE (South American Association of Pathology and Imaging of the Equine Locomotor System) since 2012. In 2013 he became Diplomate of the American College of Veterinary Sport Medicine and Rehabilitation (ACVSMR) and is a founding Diplomate of the European College of Veterinary Sport Medicine and Rehabilitation (ECVSMR).

HORSECOUNTRY
RESORT · CONGRESS · SPA

THE HORSE COUNTRY RESORT features swimming pools, hotels, restaurants, a private beach, a wellness centre, an equestrian centre and a Western village ensconced in acres upon acres of carefully-tended gardens

AN OASIS OF WELLNESS IN SARDINIA

Unspoilt nature, total relaxation and the smell of the sea are all ready to welcome you at the Horse Country Resort Congress & Spa, which overlooks the crystal-clear Gulf of Oristano on the central-west coast of Italy's most charming island. The 4-star resort in Sardinia that you wouldn't expect.

SEMINARY

THE PRE-PURCHASE EXAM

JEAN MARIE DENOIX

Congress Hall Horse Country Resort Arborea (OR)

Across Europe, the pre-purchase examination of horses is handled very differently and is associated with many challenging and contentious issues. It is a common cause of significant problems for equine practitioners.

PROGRAM

TUESDAY JUNE 25, 2020
h. 8:30 am - 6:00 pm

HORSE COUNTRY RESORT CONGRESS & SPA
STRADA A MARE 24 ARBOREA (OR)
