It will be possible to purchase hay, shavings and ice on the competition field

Deadline for booking the boxes (National and Regional) 08/30/2023

- Pre-registration within the terms indicated using the website [www.enduranceonline.it](http://www.enduranceonline.it) is mandatory for all competitors

The deadline for registrations in the International categories is 08/30/2023

The deadline for registrations for National and Regional events is 08/30/2023

Competitors registered in the National and Regional Cat.s who intend to book a box must send booking requests via email to [endurance@horsecountry.it](mailto:endurance@horsecountry.it) by 08/30/2023.

### **Prescriptions:**

- The horses participating in the event must be accompanied by the certificates required by current health regulations.
- Athletes and horses in possession of a valid FISE riding authorization for the current year, registration in the horse repertoire, or FEI passport, up to date with vaccinations and in possession of the age and qualification requirements as by the Italian and FEI Endurance Regulations in force. Please remember that to participate in FEI competitions, the horse and rider must be registered with the FEI and have made the payment for the year 2023.
- This program may undergo changes at the discretion of the Organizing Committee, which will communicate this to all competitors.
- The FEI has very clear and strict rules regarding biosafety. The Organizing Committee must take all reasonable and practical steps to

ensure that CEN competitions are held and that CEN horses are managed in a manner that is generally compliant with FEI biosecurity rules.
